Headteacher Mrs Natasha Cooke

Dear Parents / Carers,

As you know, Puffin class learn through topic themes. In order to enhance these topics and bring these topics to life we like to go on lots of exciting educational visits. In Autumn half term two once we are settled into our Pirates / Under the Sea topic we would like to bring our topic to life by attending a pirate day at Beaumanor Hall. The day will focus on maths and history.

For this trip children are encouraged to wear pirate clothes and bring a pirate lunch! Lots of our activities will be outdoors so warm clothes and a change of shoes would be advisable.

The trip is on Tuesday 8th November 2016. In order to make the most of all our workshops, children need to be in Puffin Class and registered by 8:30am. At 8:30am the coach will arrive with us. If we are late it will be detrimental to our workshops.

Our workshops include:

- A physical pirate challenge
- An adventurous treasure hunt
- Some perplexing pirate problems
- A visit to a secret pirate cavern
- And several surprises!

We will be leaving Beaumanor at 2:30pm. We hope that we will arrive back at school for our usual pick up time. However, this is dependent upon traffic. Please ensure you are signed up to our teachers2parents texting system as Mrs Duric will inform you about our expected arrival time on the day.

For the costings of the coach and workshops is £25 per child. The monies and consent for this trip are due in Tuesday 2nd November.

Thank you for your continued support,

Miss Bestwick
Puffin Class Teacher

I give consent for my child/ren _____
to go on an educational visit to Beaumanor Hall on Tuesday 8th November. I understand my child will need to be at school no later than 8:30am. I understand that they will be back at school for 3:30pm however if they are running late in traffic I will receive a text. I enclose £_____ cheque/cash.
